A Church of England Community School

"Life in all its fullness" John 10:10

Friday 8th September

Dear Parents and Carers,

RE: Wondering how best to support your child with revision?

On Wednesday, the Life Skills Company delivered interactive workshop sessions to our Year 7 and Sixth Form students as part of their induction programme.

These sessions enabled students to question how they revise, trying out a range of techniques to help them develop a routine and practice of effective revision that will be very useful throughout their time with us at Wadham School.

As part of the package of support, The Life Skills Company are exclusively offering **all parents** at Wadham School the opportunity to view their Parents' Briefing for Maximising Success. The 28-minute video covers:

- How teenagers can revise effectively, proactively and enjoyably;
- How we as parents can support our teenagers.

I am delighted to be sharing this opportunity with you and highly recommend that you take a look at this video to support your child's learning. This could be done with your son or daughter so that together you can see the benefit of these techniques.

You can access the Parents Briefing Maximising Success video as follows:

1. Click on the following link: [Maximising Success Parent Briefing](#)
2. Use the password: **LoveToLearn**
3. Pens at the ready and enjoy!

Please note, however, that the video will only be available to view **between Friday 8th September and Wednesday 13th September inclusive.**

I hope you find this resource useful and on behalf of all staff here at Wadham School, we're looking forward to supporting your child with their learning and personal development as the new year unfolds.

Yours Sincerely,

Mr S White
Deputy Headteacher
Curriculum and Outcomes
