Dear Parents and Carers,

RE: Headteacher's Update Letter 26.02.24

Welcome to Term 4!

One week in and the weather may remain unpredictable, but one thing you can rely on is the positive welcome and return to learning students and staff have given each other since last Monday.

There is a real focus on 'Core Knowledge' in lessons – the 3-5 key facts and new learning that takes place to help build students' understanding, knowledge and confidence over the course of the year.

Parents are reminded that letters are sent every term that explain the content covered by each subject during that term – very much helping you have positive conversations at home and supporting your child with their learning.

These letters can be found in the Curriculum section of our website here:

[Wadham School - Curriculum](#)

Simply click the Year Group in the red section on the right of the page to see specific information.

Do not hesitate in contacting your child's tutor or subject teacher should you have any questions about the curriculum, forms of assessment, or how students can access and complete work set over Teams and other online platforms.

Similarly, we encourage all parents to speak with staff at Parental Consultation Evenings, and we're looking forward to the next round of evenings this term at the following times:

- Year 9 – Thursday 7th March, 4.00-7.00pm
- Year 7 – Thursday 21st March, 4.00-7.00pm

With routines and expectations well established, we're excited to be 'learning more and doing more' this term, and remain grateful of your continued support in this regard.

Yours sincerely,

Richard Burgas
