Dear Parents and Carers,

## **RE: Parent Survey – January 2024**

With Autumn Mocks completed, a successful and well-attended 'GCSE Information Evening' last Monday, reports soon to be published and a Parents' Evening next Thursday, the clear focus at Wadham really is on our Year 11 students.

This very much complements Mrs Wright's hard work and dedication in leading Year 11 as their Head of Year. She has been superb in helping them to prepare thoroughly for GCSE exams in the summer, her Monday after school homework club has many regular visitors, and there is always space for more!

At the same time, departments have published lunchtime and afterschool revision sessions to focus on gaps in learning as well as a specific session in Science for students aiming for the highest grades.

I have been greatly impressed with the maturity and commitment shown by Year 11 students towards their studies - they really are in the driving seat of their education and information from the reports points to a positive set of results in the summer.

This is no less than students deserve - the students, their parents and our staff have worked together since the start of GCSEs in Year 10 to secure these improved outcomes.

With this in mind, I'd be grateful if parents and carers complete this short survey - it is the same as the one published in September.

The survey can be accessed using this link or the QR code at the bottom of this letter:

Your views are important to me in helping shape and refine our school development plan - keeping our focus on the main thing: the education and well-being of the children in our care.

The survey will remain open until 9.00am Monday 29<sup>th</sup> January.

As ever, thank you for your continued support.

Yours sincerely,

Richard Burgas
