Dear Parents and Carers,

RE: Term 1 Reports and Parental Meet the Tutor Evening

Well done, we made it to October!

Reports

Teachers are currently making a judgement on your son/daughter's key learning qualities that contribute to their attitude to learning so far, and these will be published as a report to you in a few weeks time.

The report focuses on three key qualities that will enable students to succeed with their learning and progression;

- Engagement in their learning
- Respect for the community
- Organisation and Independence

Parental Meet the Tutor Evening

To follow up on this first report we would like to invite all parents and carers to book an appointment with their son/daughter's tutor to meet face to face to go through their start at Wadham and to support any questions or needs that you may have.

The date for this is Thursday 20th October 2022, from 4.00 to 7.00pm.
You can book your slot by going to <https://wadham.schoolcloud.co.uk>

Appointments are 10 minutes in length and **must** be booked with your son/daughter's tutor. If your son/daughter's tutor is fully booked there is an option to book an appointment with the Head of Year but you **cannot book with both**.

Mrs Charles and Mrs Guppy will be available all evening to discuss the learning needs for SEND students and Mrs Stubbins for students with Pupil Premium.

Please follow the attached guide for further details about how to book appointments. **The booking system is now open.** Any issues with bookings please contact the school office or email Mr A Jackson (amjackson@wadhamschool.co.uk).

As your son/daughter's tutor sees them each morning, they are best placed to comment in these early stages of their time at Wadham this year. They support our students to be ready for the day and prepare for learning. Tutors are also responsible for overseeing their tutees development, monitor progress closely and liaise with the Heads of Year when concerns arise.

Wadham Careers Fair

We have teamed up with local businesses and providers of further education to bring you the Careers Fair on the same night. This gives you an opportunity to walk around many different providers and discuss possible futures with your son/daughter whilst looking at the opportunities locally.

You will be able to visit the fair after your appointment or between 4.00pm and 7.00pm. We have a wide variety of exhibitors attending this year which include:-
